

Would You Like to Help Out on One of Our Committees?

CARP Chapter 54 is looking for enthusiastic, skilled volunteers to help with a variety of committee lead functions and events for the coming year. Would you like to contribute to your community while putting your special talents or interests to good use?

Through our volunteer Committees, our Chapter provides opportunities for members to get involved in the social issues that affect Canadians as we age and to strengthen CARP's voice and influence locally, regionally and nationally.
